

Product Technical Sheet

ENlight®

Thermostatic Electric Shower - Back To Wall

Product Codes

ENlight® BTW - 9.5kW - White (Black Kit)	GEENLB91
ENlight® BTW - 9.5kW - Grey (Black Kit)	GEENLB93
ENlight® BTW - 9.5kW - Taupe (Black Kit)	GEENLB97

Installation

- Inlet connection: 15mm diameter
- Outlet connection: 1/2" BSP male thread

Commissioning

- Simple 2 minute commissioning process

End User

- Tri-Protect® precise thermostatic temperature control
- Feedback panel showing selected temperature and shower duration
- Timing function - helping reduce shower time and running costs
- 5-minute Eco Mode to help reduce water usage and costs
- Back to wall space saving kit
- 5 spray shower head with removable spray plate and 1.5m anti-twist hose
- Efficient A energy rating
