	SofTurn®	SofTurn® cartridge technology gives the user precise control over water flow and temperature. The development of this technology has been possible as we are one of the few manufacturers who design, develop and manufacture our own cartridges.
	Joystick-Turn®	An innovative concept in water control, joystick technology presents a style which is distinct from the more traditional single lever, but which gives the same performance as SofTurn® technology.
	Cold Start	The flow always starts with cold water meaning water systems are only activated when hot water is required thereby saving energy.
	SafeTouch®	Development in materials has allowed Roca to develop SafeTouch® technology which prevents the chrome plating on thermostatic fittings from overheating. This eliminates the risk of scalding and is particularly beneficial in environments used by the young, the elderly and the less mobile.
	Security 38°®	A safety device (red button) that stops the control knob being turned beyond 38°C.
	Quick Reaction®	Quick Reaction® technology ensures that Roca thermostatic fittings reach the required flow and temperature in less than 3 seconds. Both then remain constant, irrespective of variations in water pressure.
	Flow Rate	Flow rate of taps in litres
	Technology On-Off Switch	On-off buttons with Switch technology to select different water outlets with integrated flow regulation

	Flexible swivel	Flexible hose withstands the 360° rotation of the hand shower without breaking
	RocaBox	Universal solution for built-in installations
	Rainstorm	A surprising flow of water provides our body with the maximum confort and well-being
	Tonic	Gradual jets provide extreme comfort
	Pulse	Intense water jets provide the body with an invigorating feeling
	Retractable Spout	Retractable bathtub spout to be discreetly integrated under the shower faucet when not in use
	With Shelf	Integrated shelf that offers added comfort by providing space for bathroom toiletries
	Adjustable Height	Height-adjustable shower column to suit the needs and preferences of users
	Rotating Shower	Rotating shower head with adjustable position for greater comfort

		5.4	The Supplier's only liability to the Customer if the Goods fail to comply with the warranties set out in Clause 5.1 is as set out in this Clause 5 and, in any event, shall be limited to the cost of the order to which the claim relates.	11.	TERMINATION
		5.5	The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.	11.1	Without limiting its other rights or remedies, either party may terminate the Contract with immediate effect by giving written notice to the other party if: the other party commits a material breach of any term of the Contract and (if such a breach is remediable) fails to remedy that breach within twenty-eight days of that party being notified in writing to do so; the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business; the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business; or the other party's financial position deteriorates to such an extent that in the terminating party's opinion the other party's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy.
		5.6	The terms of the Contract shall apply to any repaired or replacement Goods supplied by the Supplier.	11.2	Without limiting its other rights or remedies, the Supplier may terminate the Contract with immediate effect by giving written notice to the Customer if the Customer fails to pay any amount due under the Contract on the due date for payment and remains in default not less than 14 days after being notified in writing to make such payment.
		6.	TITLE AND RISK	11.3	Termination of the Contract shall not affect any of the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of this Contract which existed at or before the date of termination.
		6.1	Risk in Goods shall pass to the Customer on completion of delivery the Goods at the Delivery Location.	11.4	Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination shall remain in full force and effect.
		6.2	Title to Goods shall only pass to the Customer once the Supplier receives all monies owed. The Seller reserves ownership of the Goods supplied until the Customer has paid not only for those particular Goods, but also for total indebtedness owed for any other Goods supplied by the Supplier to the Customer.	11.5	Without affecting any other right or remedy available to it the Supplier may terminate this agreement on giving not less than three months' notice to the Customer.
		6.3	Until title to the Goods has passed to the Customer, the Customer shall: store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property; not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; maintain the Goods in satisfactory condition and keep them insured against all risks for their full price from the date of delivery; notify the Supplier immediately if it becomes subject to any of the events listed in Clause 11.1 and give the Supplier such information relating to the Goods as the Supplier may require from time to time.	12.	GENERAL
		6.4	The Supplier may recover Goods in which title has not passed to the Customer. The Customer irrevocably licenses the Supplier, its officers, employees and agents, to enter any premises of the Customer (including with vehicles and other storage), in order to satisfy itself that the Customer is complying with the obligations in Clause 6.3, and to recover any Goods in which property has not passed to the Customer.	12.1	Force majeure: Neither party shall be in breach of this Contract nor liable for delay in performing, or failure to perform, any of its obligations under this Contract if such delay or failure result from a Force Majeure Event. If the period of delay or non-performance continues for four weeks, the party not affected may terminate this Contract by giving seven days' written notice to the affected party.
		6.5	The Supplier may at any time after delivery elect to transfer title in the Goods to the Customer, in which case the Customer shall immediately pay the Price to the Supplier.	12.2	Assignment and other dealings: The Customer shall not assign, transfer, charge, subcontract, declare a trust over or deal in any other manner with any or all of its rights or obligations under the Contract without the prior written consent of the Supplier. The Supplier may at any time assign, transfer, charge, subcontract, declare a trust over or deal in any other manner with any or all of its rights under this agreement.
		6.6	The Customer shall be entitled to resell the Goods in the ordinary course of its business. Where the Customer resells Goods which, in accordance with this Clause 6, remain the Supplier's property, ownership of these Goods shall pass to the Customer immediately prior to resale by the Customer. If the Customer becomes subject to an Insolvency Event, the Customer's right to re-sell or otherwise deal in the Goods shall automatically terminate and the Supplier shall be entitled to repossess any of the Goods in respect of which title has not passed as aforesaid.	12.3	Confidentiality
		7.	PRODUCT RECALL	12.3.1	Each party undertakes that it shall not at any time, and for a period of two years after termination of this agreement, disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party or of any member of the group to which the other party belongs, except as permitted by Clause 12.3.2. For the purposes of this clause, group means, in relation to a party, that party, any subsidiary or holding company from time to time of that party, and any subsidiary from time to time of a holding company of that party.
		7.1	If the Customer is the subject of a request, court order or other directive of a governmental or regulatory authority to withdraw any Goods from the market (Recall Notice) it shall immediately notify the Supplier in writing enclosing a copy of the Recall Notice.	12.3.2	Each party may disclose the other party's confidential information: to its employees, officers, representatives or advisers who need to know such information for the purposes of exercising the party's rights or carrying out its obligations under or in connection with this agreement. Each party shall ensure that its employees, officers, representatives or advisers to whom it discloses the other party's confidential information comply with this Clause 12.3; and
		7.2	Unless required by law, the Customer may not undertake any recall or withdrawal without the written permission of the Supplier and only then in strict compliance with the Supplier's instructions as to the process of implementing the withdrawal. 		8.	PRICE AND PAYMENT	(b)	No party shall use any other party's confidential information for any purpose other than to exercise its rights and perform its obligations under or in connection with this Contract.
		8.1	The Customer shall pay for Goods in accordance with this Clause 8.	12.3.3	This contract does not constitute the entire agreement between the parties and the Customer will comply with its obligations under all relevant Roca Policies. For the avoidance of doubt this Contract sets out arrangements in relation to the Exclusive Goods.
		8.2	The Price excludes amounts in respect of value added tax (VAT), which the Customer shall additionally be liable to pay to the Supplier at the prevailing rate (if applicable), subject to the receipt of a valid VAT invoice.	12.4	Notice: Any notice required under the contract shall be in writing, and sent by recorded delivery addressed and posted to the address set out below.
		8.3	All orders received which would result in an invoice value of less than £500.00 (excl. VAT) will be charged carriage costs as incurred by the Supplier (or £500.00 + VAT, whichever is the greater).	12.5	Roca LTD, Interlink Way West, Bardon Business Park, Bardon, Leicestershire LE67 1LD
		8.4	The Supplier may invoice the Customer for the price of Goods plus VAT at the prevailing rate (if applicable) on or at any time after it confirms the relevant Order to the Customer. The Supplier shall ensure that the invoice includes the date of the Order, the invoice number, the Contract Number, the Customer's order number, the Supplier's VAT registration number, and any supporting documentation that the Customer may reasonably require.	12.6	Variation: No variation of these conditions shall be effective unless it is in writing and signed by the parties (or their authorised representatives).
		8.5	Unless otherwise agreed in writing by a Director of the Supplier, the Customer shall pay invoices in full in cleared funds by the end of the month following the month of invoice. Payment shall be made to the bank account nominated in writing by the Supplier.	12.7	Waiver: No failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy nor shall it prevent or restrict the further exercise of that or any other right or remedy.
		8.6	If the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment, then, without limiting the Supplier's remedies under Clause 11:	12.8	Severance: If any provision or part-provision of these conditions is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.
		8.6.1	No variation of these conditions shall be effective unless it is in writing and signed by the parties (or their authorised representatives).	12.9	Third party rights: No one other than a party to this Contract and their permitted assignees shall have any right to enforce any of its terms.
		8.6.2	The Supplier may suspend all further deliveries of Goods until payment has been made in full.	12.10	Governing law: This Contract, and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation, shall be governed by, and construed in accordance with the law of England and Wales.
		8.7	The Customer shall pay all amounts due under the contract in full without set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). The Supplier may at any time, without limiting any of its other rights or remedies, set off any amount owing to it against any amount payable by the Supplier to the Customer. 		9.	RETURNS		
		9.1	No Goods once despatched by the Supplier shall be returned to the Supplier unless permission has been given by the Supplier in writing.
